WHO ARE WE?

At Clark Foyster Wines, we aim to be specialists in our chosen field. We only sell wines in which we truly believe. Our range is eclectic with growers who are generally small, family-run estates producing wines to the highest standards.

If you don't know us, we are an unashamedly Europhile importer. We have a strong reputation as specialists in wines from Austria, Portugal, Greece, Hungary and Georgia. We also work increasingly in France, with a particular emphasis on Burgundy. We also import wines from two very special producers in Australia.

This year is our 23rd year of trading. We have grown steadily and are proud of the portfolio we have built and the suppliers and customers we have met along the way.

We hope you enjoy our wines!

Payment

Bank Transfer with order. The order will only be despatched once payment has been received and cleared.

PLEASE NOTE THAT WE ARE UNABLE TO TAKE PAYMENT VIA CREDIT OR DEBIT CARDS.

Prices

Prices are correct as of **01/02/2026** but are liable to change without notification.

Prices are quoted per bottle and per case of 6 bottles.

Our prices are inclusive of duty and VAT (20%) and delivery is included to England and Wales if you order a minimum of 6 bottles – please confirm when ordering as there is a surcharge for more remote addresses.

A discount of 10% will apply for orders over 60 bottles.

Order Size

We recommend a minimum order size of 1 case of 6 bottles and there will be no additional delivery charges for a 6 bottle order to England and Wales postcodes. Please contact us for delivery charge to Scotland. If you want to order fewer than 6 bottles then we can certainly do this but we will need to make a separate delivery charge in order to cover our costs. Please contact us for details.

Delivery

Once payment has been cleared, the delivery of goods will normally take place within a week. Faster delivery can be arranged at extra cost upon request. Deliveries to Scotland, Northern Ireland and outside the UK will incur delivery surcharge. Please ensure that you let us have a contact number in case of any problems.

Our carriers are geared up for trade deliveries rather than home deliveries, so we cannot book a specific time slot for your delivery. We can book a specific day and will do our best to give you an estimated time on the delivery day. Once the delivery date has been confirmed then we cannot generally change this without incurring the cost of a second delivery and we reserve the right to pass these costs on to our customer.

Some customers ask for delivery to a nominated safe place or friendly neighbour. We can organise this, but only on the understanding that we cannot take responsibility for any shortfall, loss or damage if the customer is not present to check and sign for the goods.

Damage /shortage of goods on delivery

Please check your wines carefully when they arrive **before you sign for them** and state any breakage or shortage on the delivery note. If the driver has an electronic Proof of Delivery terminal instead of a paper delivery note, please ask him to show you the breakages screen so you can sign on the correct screen to confirm any breakages or errors. Please contact us as soon as possible, and within no more than 48 hours from delivery, in the event of breakage, loss or short delivery so that we can make a claim from the carriers. The carton and packing in which the damaged goods were delivered should be retained for the carrier's inspection.

Faulty wines

Please let us know as soon as possible if you come across a corked or flawed bottle. Depending on the circumstances, we will arrange a credit or a refund to your account. Our liability will in no circumstances exceed the original purchase price of the bottle. Your statutory rights in respect of faulty goods are unaffected.
