The Clark Foyster story

Starting in 2003, Clark Foyster has been built through curiosity and a touch of chance. It began with Austria, at a time when convincing anyone to buy Austrian wine in the UK required patience and a healthy dose of optimism. What first felt like a niche has become one of the defining strengths of our portfolio, and that first journey shaped everything we've done since.

We've always been drawn to places and producers that deserve to be better known - Portugal's remarkable diversity, the mountains and volcanic vineyards of Greece, the ancient traditions of Georgia, the cool-climate and fresher side of Australia and hidden wonders from regional France, alongside some of Burgundy's great domaines. The wines and people we work with were not chosen because their wines are popular, but because they have authenticity, freshness and personality.

Relationships matter to us just as much as the wines themselves. Many of the producers who trusted us in the early years remain with us today and, over time, these partnerships have become genuine friendships. We've watched children take over family estates and witnessed the inevitable challenges that come with making wine in a rapidly changing world. We believe these long-term relationships create better understandings of the sort of wines we represent.

Our portfolio was never built to tick boxes. In truth, it has grown organically through conversations, recommendations and chance encounters. Looking back, there has been more consistency to that journey than we perhaps realised at the time. Almost every producer we work with shares the same commitment to producing wines of freshness, precision and character - wines that reflect where they come from rather than chasing fashions.

Today we remain an independent, family-owned importer supplying restaurants, wine merchants and independent retailers throughout the UK. We are fortunate to work with some of the world's most respected producers alongside younger winemakers redefining their regions. Some have become household names. Others, we believe, are on their way to establishing similar recognitions.

Payment

Bank Transfer with order. The order will only be despatched once payment has been received and cleared.

PLEASE NOTE THAT WE ARE UNABLE TO TAKE PAYMENT VIA CREDIT OR DEBIT CARDS.

Prices

Prices are correct as of 01/10/2026 but are liable to change without notification.

Prices are quoted per bottle and per case of 6 bottles.

Our prices are inclusive of duty and VAT (20%) and delivery is included to England and Wales if you order a minimum of 6 bottles – please confirm when ordering as there is a surcharge for more remote addresses.

A discount of 10% will apply for orders over 60 bottles.

Order Size

We recommend a minimum order size of 1 case of 6 bottles and there will be no additional delivery charges for a 6 bottle order to England and Wales postcodes. Please contact us for delivery charge to Scotland. If you want to order fewer than 6 bottles then we can certainly do this but we will need to make a separate delivery charge in order to cover our costs. Please contact us for details.

Delivery

Once payment has been cleared, the delivery of goods will normally take place within a week. Faster delivery can be arranged at extra cost upon request. Deliveries to Scotland, Northern Ireland and outside the UK will incur delivery surcharge. Please ensure that you let us have a contact number in case of any problems.

Our carriers are geared up for trade deliveries rather than home deliveries, so we cannot book a specific time slot for your delivery. We can book a specific day and will do our best to give you an estimated time on the delivery day. Once the delivery date has been confirmed then we cannot generally change this without incurring the cost of a second delivery and we reserve the right to pass these costs on to our customer.

Some customers ask for delivery to a nominated safe place or friendly neighbour. We can organise this, but only on the understanding that we cannot take responsibility for any shortfall, loss or damage if the customer is not present to check and sign for the goods.

Damage /shortage of goods on delivery

Please check your wines carefully when they arrive before you sign for them and state any breakage or shortage on the delivery note. If the driver has an electronic Proof of Delivery terminal instead of a paper delivery note, please ask him to show you the breakages screen so you can sign on the correct screen to confirm any breakages or errors. Please contact us as soon as possible, and within no more than 48 hours from delivery, in the event of breakage, loss or short delivery so that we can make a claim from the carriers. The carton and packing in which the damaged goods were delivered should be retained for the carrier's inspection.

Faulty wines

Pease let us know as soon as possible if you come across a corked or flawed bottle. Depending on the circumstances, we will arrange a credit or a refund to your account. Our liability will in no circumstances exceed the original purchase price of the bottle. Your statutory rights in respect of faulty goods are unaffected.
